TO REGISTER AT OUR PRACTICE

PLEASE BRING YOUR NHS MEDICAL CARD. If you do not have a medical card, please bring two documents of identification.

1) Photographic ID
2) Proof of address showing your name

Failure to bring in the correct documents may delay your registration.

Once your application has been accepted you will be contacted to arrange an NHS new patient health check with the health care assistant. The appointment will last for 30 minutes and will be used to document your past and present health problems and some other baseline information.

When filling in your registration form you may find it helpful to take it home with you in order to complete it thoroughly.

Completed registration forms can be handed in at reception at any time but if you need assistance, please attend between 1pm and 4pm

The registration process takes time, but you can speed it up by ensuring

- if you were born outside the UK, you enter your place of birth and the date you came to live in the UK.
- you sign the form on behalf of any children.
- you complete and sign the organ and blood donor sections.
- you complete and sign page 2 to allow us to contact your previous practice for up-to-date medical details.

.

Patient Participation Group

The Practice is committed to improving the services we provide to our patients.
To do this, it is vital that we hear from people about their experiences, views, and ideas for making services better.
By expressing your interest, you will be helping us to plan ways of involving patients that suit you.
It will also mean we can keep you informed of opportunities to give your views and up to date with developments within the Practice.
If you are interested in getting involved, please tick the box below and we will arrange for the Practice Patient Participation Group Application Form to be given to you at your initial consultation.

Yes, I am interested in becoming involved in the Practice Patient Participation Group (Please tick the "Yes" Box)	**Yes**

Patient Signature:		**Signature on behalf of Patient:**	

Your physical examination will include having your height, weight and blood pressure taken, and a specimen of urine for testing (it would be helpful if you would bring a specimen with you when coming to the Practice).

The Consultation will also establish relevant past medical and family history, including:

- ***Medical factors - illnesses, immunisations, allergies, hereditary factors, screening tests, current health***
- ***Social factors - employment, housing, family circumstances***
- ***Lifestyle factors - diet and exercise, smoking, alcohol and drug abuse.***
